Case Study (Twist N Treat Homemade)

Client's Business Nature

Twist N Treat Homemade is an online cake-selling brand that delivers freshly baked, homemade cakes made with premium ingredients. The website ensures a delightful browsing and ordering experience for customers who crave quality and creativity in every bite.

Showcase the Brand Identity

Design a website that reflects the rich heritage and artistry of Twist N Treat Homemade.

Drive Online Sales

Enable seamless eCommerce functionality to cater to local and online customers.

Enhance Customer Engagement

Offer a user-friendly interface to browse products, learn about the brand, and place orders effortlessly.

Case Study

Website Design & Development

- **Aesthetic Appeal:** The website features a warm color palette with gold accents and high-resolution images of the products to evoke the richness and authenticity of Twist N Treat Homemade.
- **Responsive Design:** Ensures the site is fully optimized for mobile, tablet, and desktop users.
- **Razorpay Payment Integration:** A secure and efficient payment gateway was integrated to support multiple payment methods, ensuring a smooth checkout process.
- **E-Commerce Functionality:** Comprehensive product catalog with detailed descriptions, pricing, and add-to-cart options.

Website Features

- **Homepage:** Highlights flagship products like Dream Cake with a "Shop Now" call-to-action.
- **Product Pages:** High-quality visuals with descriptions that narrate the heritage and ingredients of each item.
- **Payment Gateway:** Razorpay integration allows users to pay using credit/debit cards, UPI, net banking, or wallets.
- **Cart and Checkout:** Simple checkout with support for guest and registered user purchases.
- **Contact Information:** A dedicated page for shop location, Google Maps integration, and customer support details.

Monthly 50 to 75 Orders

"Digital Crazy Hub's work on our website has been transformative. The website not only looks stunning but also delivers an unmatched shopping experience for our customers. Razorpay integration has simplified payments, and the design truly captures the essence of our brand."

Twist N Treat Homemade

Results Achieved

Enhanced Brand Presence:

The website's luxurious and engaging design now mirrors the premium quality of Twist N Treat Homemade products, building trust with potential customers.

Increased Customer Engagement:

The visually rich interface and intuitive navigation have led to a 35% increase in online inquiries and a noticeable boost in sales.

Streamlined Transactions:

Razorpay integration facilitated secure and quick payments, enhancing the shopping experience.

What This Case Study Shows:

Discover how our innovative approach drives brand success, enhances user experience, and delivers measurable results.
